

Why Improve My Hearing?

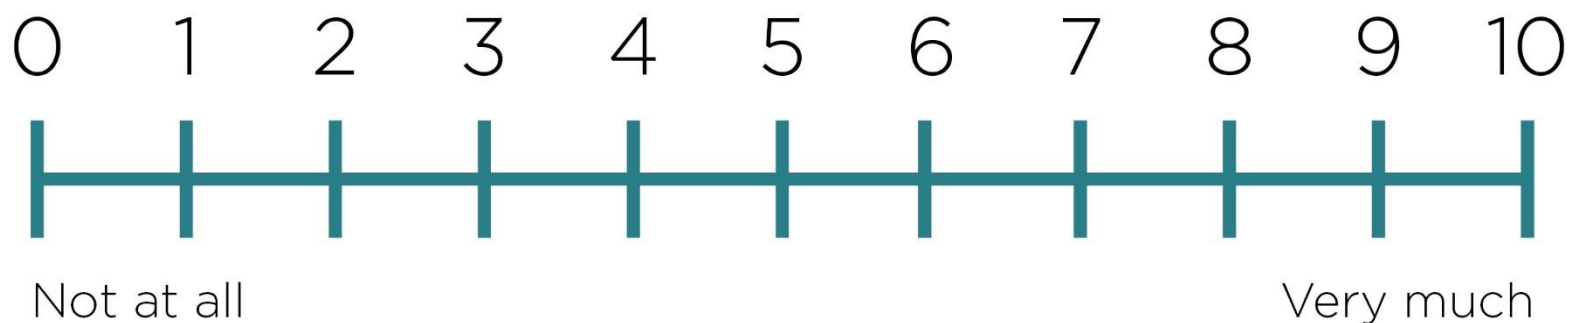

Use the photos and questions below to help you articulate how important you feel it is to improve your hearing.

Choose up to three photos that represent places you have difficulty hearing. Then, answer the questions that follow.

Describe your own situation.

Mark the number that best describes how important it is for you to improve your hearing in this situation.

Why did you select this number?

What will happen if you continue as you are today?

What would happen if you improved your hearing?
